Graphic Scale

0 40 80 160

In Feet: 1" = 80'

Any interest in expanding this lot? **if we could get this in first project it would be a great bonus***

possibly shorten San relocate w/out walls for turnaround

could we get some more spaces?

Bathroom Location **Perfect**

if you can get 17.5x17 sidewalk we could bolt down 2 bike racks next to Bathrooms

Bus Queuing Area (lane) **Nice**
