

MAKE THE ZIPLINE YOUR LINE

THE ZIPLINE WILL PROVIDE a zippy ride from Aspen to Glenwood and selected points in between. This route will offer riders an off-peak option for making a fast trip from Aspen to Glenwood and back: starting at Rubey Park at 9am, and arriving in Downtown Glenwood at 10am - stopping only at Park & Rides and few major stops.

The return trip will leave the West Glenwood Park & Ride at 2:45 pm (Downtown Glenwood at 2:53) and arrive back at Rubey Park about 3:50pm. By eliminating many stops made by the typical Valley routes, RFTA is able to reduce the travel times from one end of the valley to another.

The Zipline is a great option for up valley residents to take the bus to Glenwood for a lunch and shopping trip, or head to the Hotsprings Pool or Vapor Caves to “soak it all in.” No need for your car at all: once in Glenwood, do all your errands via the free Ride Glenwood bus.
