
Summary of Transportation Goals, Needs, Priorities

1. Establish, Expand and Optimize local transit systems with towns
 2. Increase frequency and consistency of regional transit service in SH82 and I-70 corridors
 3. Better connect pedestrian/bicycle routes to transit, including connecting Rio Grande trail to Brush Creek station, and crating more pedestrian underpasses of SH82
 4. Better connect RFTA regional buses to other transit services such as Bustang, ECO Transit, and community circulators
 5. Expand and improve existing park and rides/Create new park and rides
 6. Construct and maintain LoVa trail from Glenwood Springs to Parachute
 7. Potential rail transit from Brush Creek to Rubey Park
 8. Expand on-demand services such as bikesharing (WE-cycle), ridesourcing (Uber, Lyft), carsharing (car2go, Zipcar)
 9. Accommodate future gondola connections at transit stations
 10. Expand web-based information services including google maps schedule integration and App-based trip planners
