Introduction

The Americans with Disabilities Act (ADA) of 1990 defines an individual with a disability as, a person who has a physical or mental impairment that substantially limits one or more life activities, a person who has a history or record of such an impairment, or a person who is perceived by others as having such an impairment.

ADA Complementary Paratransit service is provided to individuals who, because of an accessed disability, are unable to independently ride a bus, get on/off a bus, or get to/from a bus stop.

Guide to Ride

This Guide to Ride has been prepared to familiarize riders, with an assessed disability, with the Roaring Fork Transportation Authority (RFTA) ADA Complementary Paratransit service, and to answer questions about ADA Complementary Paratransit service. Any questions which are not addressed in the following pages should be directed to RFTA’s ADA Complementary Paratransit service Coordinator at (970) 384-4855 or smerritt@rfta.com.

Americans with Disabilities Act of 1990

The Americans with Disabilities Act (ADA) of 1990 prohibits discrimination against individuals with disabilities in employment, transportation, public accommodation, communications, and governmental activities. To be protected by the ADA, an individual must have a disability or have a relationship or association with an individual with a disability. An individual with a disability is defined by the ADA as a person who has a physical or mental impairment that substantially limits one or more life activities, a person who has a history or record of such an impairment, or a person who is perceived by others as having such an impairment. The ADA does not specifically name all of the impairments that are covered.

ADA Complementary Paratransit Service

ADA Complementary Paratransit service is provided to individuals who, because of an accessed disability, are unable to independently ride a bus, get on/off a bus, or get to/from a bus stop. Service is provided to an accessed, eligible rider who has requested and reserved ADA Complementary Paratransit service in advance of the day and time they need to use the service.

RFTA determines eligibility based on functional considerations and determines which individuals can most benefit from ADA Complementary Paratransit service, and which individuals can be best served by the regular accessible RFTA bus services. Difficulty in using the fixed-route service is not necessarily an indicator of whether or not an individual is eligible to use ADA Complementary Paratransit service. Inconvenience in using the fixed-route service is not a basis for eligibility. All ADA Complementary Paratransit vehicles are accessible to individuals with disabilities and are equipped with wheelchair lifts and securement devices.

Origin-to-Destination Service

RFTA provides passenger’s origin-to-destination, “curb-to-curb” service, which is comprised of:

Δ Origin-to-destination: ADA Complementary Paratransit service from a passenger’s origin to the passenger’s destination.

Δ RFTA ADA Complementary Paratransit service utilizes “curb-to-curb” service, which will pick-up the rider as close as possible to the rider’s home or pick-up point, and drop-off riders at the curb, or as close as possible to their destination.
Drivers will assist passengers with boarding and disembarking from the vehicle. This includes loading wheelchairs and other mobility devices from the sidewalk or other safe waiting area.

ADA Complementary Paratransit service provides assistance beyond the curb only on an as-needed basis. Assistance will only be provided as long as the driver “maintains visual contact” with the vehicle. Drivers are not authorized to enter a passenger’s private residence or travel past the exterior door of a public building.

- Carbondale ADA Complementary Paratransit service area is within ¾ mile from the Carbondale Circulator fixed-route.
Eligibility

To determine ADA Complementary Paratransit eligibility the applicant must complete and submit to RFTA, the ADA Complementary Paratransit Application form. If ADA Complementary Paratransit status is granted, the ADA Complementary Paratransit status will be effective for the length of time indicated on the determination of eligibility letter.

∆ Any assessed individual who is unable to access or navigate the Ride Glenwood Springs, Carbondale Circulator, or any of the six (6) Aspen fixed-route services, due to a temporary or permanent disability.

Eligibility Types

∆ **Unconditional eligibility** is granted to those riders who are unable to ride the fixed-route services, independently, under any conditions. Individuals with unconditional eligibility who are able to use the fixed-route services, with the assistance of a Personal Care Attendant (PC) are encouraged to do so whenever possible.

∆ **Conditional eligibility** is granted to riders who are eligible for RFTA’s ADA Complementary Paratransit service, only when certain conditions exist (i.e. wet or icy conditions, cold temperatures, nighttime, geographical or architectural barriers and distance). Conditionally eligible riders are required to use fixed-route services whenever conditions permit. The eligibility determination letter will indicate the conditions under which the individual can schedule ADA rides.

∆ **Temporary eligibility** is granted to riders with a short-term illness or injury that prevents them from using the fixed-route services. Temporary eligibility commonly lasts from 1 to 12 months. Riders with temporary eligibility will be assigned an eligibility expiration date. If service is required beyond that date, riders will need to reapply.

Eligibility Categories

ADA Complementary Paratransit service is for people with disabilities, who are certified as eligible for ADA Complementary Paratransit service. Eligibility is available to individuals in one (1) or more of the following categories:

∆ **Category 1** – Any individual with a disability who is unable to, as a result of their disability, use the fixed-route bus service some or all of the time.

∆ **Category 2** – Individuals with disabilities, who can use ADA-accessible buses, but want to travel on routes that are still not fully served by accessible buses or their stop is not accessible due to the physical nature of the stop.

∆ **Category 3** – Individuals with disabilities who cannot, as a result of their disability, travel to or from their bus stop due to obstacles that may impede their ability to access the fixed-route bus service. Some obstacles include distance, terrain, sidewalk-accessibility, weather, etc. Inconvenience is not considered an obstacle.

Eligibility Determination

RFTA will provide a written determination of eligibility letter within 21 days of receipt of completed application. If the individual is determined to be eligible, the letter will state that the individual is “ADA Complementary Paratransit Service Eligible.” This documentation will include:

△ The name of the eligible individual.
△ The name of the transit provider.
△ The telephone number of RFTA’s ADA Complementary Paratransit service coordinator.
△ The expiration date for eligibility.
△ Any conditions or limitations on the individual’s eligibility.
△ Whether the applicant travels with a personal care attendant.

If an individual is determined to be ineligible, the determination of eligibility letter will state the reasons for the finding. If an individual is not approved for ADA Complementary Paratransit service, the individual has the right to appeal the decision within sixty (60) days of the initial eligibility decision by RFTA.

Eligibility Appeals Process

An individual who disagrees with an ineligible determination decision may request an appeal. The appeal request must be made in writing and must be sent to RFTA’s ADA Complementary Paratransit Service Coordinator within 60 days of receipt of the eligibility determination letter. Requests are to be sent to:

Roaring Fork Transportation Authority
ADA Complementary Paratransit Service Coordinator
1517 Blake Avenue
Glenwood Springs, CO 81601

Individuals have the right to an in-person hearing with the RFTA ADA Complementary Paratransit Service Group; however, the individual may waive his/her right to an in-person hearing, allowing the ADA Complementary Paratransit Service Group to review his/her case without being present.

The ADA Complementary Paratransit Service Group will review the original decision and will make a final decision as to eligibility, by majority rule. The decision of the ADA Complementary Paratransit Service Group will be communicated in writing, within 30 days, and will state the reason(s) for the decision. If a decision is not made within 30 days of the date of appeal, full eligibility will be given until a final decision is made. Upon mailing of the written decision of the ADA Complementary Paratransit Service Group, will be final.

Additional Eligibility

Once an individual is certified as eligible to utilize ADA Complementary Paratransit services, that individual is also eligible to receive ADA Complementary Paratransit services in other cities and states. ADA Complementary Paratransit eligible individuals are responsible for contacting the transit agency in the
city in which he/she is planning to travel. RFTA suggest that the individual contacts that transit agency several weeks prior to the trip. That transit agency will give you information about arrangements, fares, operating times, and schedules. RFTA is happy to provide documentation of current eligibility to another transit agency as support for services.

Scheduling Service
To request ADA Complementary Paratransit service call (970) 384-4855, seven (7) days a week, 8:00 a.m. to 5:00 p.m., requests are to be made one day prior to service. Requests for service can be scheduled up to seven (7) days in advance. In the event that a dispatcher is unavailable to schedule your reservation, please leave the following information:

- First and Last Name;
- Telephone Number;
- Date and Time of Requested Pick-Up or Appointment Time;
- Pick-Up Point Address;
- Personal Care Attendant or Service Animal, if applicable;
- Mobility Aid(s), if applicable;
- Description of Assistance Needed, if applicable;
- Address or Name of Drop-Off Location;
- Requested Return Time.

Pick-up times are scheduled in a manner that you will be dropped off at the scheduled stop as close to “on time” as possible (passenger may arrive at scheduled stop earlier than requested). Only scheduled pick-ups and drop-offs will be honored.

Subscription Service
RFTA permits the use of subscription service as a method of efficient reservations and scheduling of trips with a repeated pattern (same origin and destination, same pick-up and drop-off time, and same day(s)). To qualify for subscription services an individual must ride for one (1) month before subscription services can be utilized. After the rider and RFTA set-up the subscription service, there is no need for the individual to make further arrangements, unless a rider’s travel needs change.

Riders must call the dispatcher to cancel a specific trip that is part of a subscription service. Riders should take care to only cancel once specific trip and not cancel their subscription service entirely. Failure to cancel trips appropriately and/or excessive cancellations may result in dismissal form the subscription service program.

Arrivals and Departures
The driver will wait five (5) minutes after the confirmed pick-up time as a courtesy to the rider. If the rider has not arrived and boarded the vehicle after the five (5) minutes, he/she will be assessed a No-Show.
All ADA Complementary Paratransit services are scheduled prior to the start of the driver’s day. If a cancellation occurs while the driver is in-route and another trip cannot be scheduled in its place, the driver may arrive at your pick-up location earlier than scheduled. However, riders are not required to leave earlier than their scheduled pick-up time. If rider is prepared to leave earlier than their scheduled pick-up time, if the rider chooses, they may board the vehicle at that time.

Traffic congestion, impeding weather or road construction may cause delays in service. If the vehicle is more than ten (10) minutes late, call (970) 384-4855 and a dispatcher will radio the driver and provide the rider with an anticipated arrival time. Please be patient, as these incidents are limited and uncontrollable.

**Reminder Calls**
A reminder call will be made the day before scheduled service.

- Δ To accept the service, simply hang up.
- Δ To cancel the service, press 9.

**Cancellations**
To cancel a scheduled trip call (970) 384-4855 at least two (2) hours in advance of scheduled ride. A cancellation made less than two (2) hours prior to the scheduled pick-up will be recorded as a No-Show. The earlier a trip reservation is cancelled, the greater the chance another rider will be able to utilize your time. When cancelling a trip, riders are responsible for providing the following information:

- Δ Name of rider;
- Δ Date and time of scheduled pick-up;
- Δ Destination name/address;
- Δ Whether another trip scheduled for that day is being cancelled as well.

**Habitually Late**
An individual is late when they are not ready to leave when the vehicle arrives. Passengers must be ready fifteen (15) minutes before the scheduled pick-up time and remain ready for fifteen (15) minutes after scheduled pick-up time. Three (3) habitually late rides are equal to one (1) No-Show.

**Habitual Cancellations**
Ten (10) cancelled rides are equal to one (1) No-Show, unless cancellation is due to illness or hospitalization.

**No-Shows**
No-Shows are defined as:

1. Service is scheduled;
2. A call to cancel the ride is not received within two (2) hours of scheduled pick-up time;
3. Vehicle arrived at the scheduled pick-up location within the fifteen (15) minute pick-up window;
4. Driver has knocked on the door and waited for five (5) minutes after arriving, without contact from the passenger;
5. Driver contacts dispatch and requests to leave;
6. Passenger will be advised that a No-show has incurred and it will be documented in their record.

If the first leg of a trip is a No-Show, all later trips scheduled for that day will **not automatically be cancelled**. It is the rider’s responsibility to cancel each scheduled trip no longer needed. RFTA makes every effort not to leave a rider stranded. If you feel that you have been mistakenly assessed a No-Show, contact the ADA Complementary Paratransit Service Coordinator at (970) 384-4855.

**Excused No-Show**
- Family emergency (death or illness, or other emergency).
- Mobility aid failure.
- Late connecting transportation.
- Act of God (flood, earthquake, fire, etc.).
- Dispatch error; dispatch did not cancel service as requested by the individual or dispatcher scheduled the service for the wrong day, time, or location.
- Medical facility changed the date and/or time of medical appointment.

**Non-Excused No-Show**
- Did not want to travel.
- Sick and did not cancel service.
- Decided not to use the service.
- Forgot service was scheduled.
- Got another ride.
- Did not want to ride with specific driver and/or passenger.

**No-Show/Late Cancellation Penalties**
When it has been determined that a rider is in violation of the No-Show and cancellation policy, the following progressive actions will be taken:
1. **1st Violation**: Three (3) No-Shows in a 30 day rolling calendar period or two (2) consecutive No-Shows within a 60 day rolling calendar period. Individual will be contacted and informed of the date and time of each No-Show.
2. **2nd Violation**: Four (4) No-Shows in a 30 day rolling calendar period or three (3) consecutive No-Shows within a 60 day rolling calendar period. Individual will receive a written letter, notifying them of a pending 30 day suspension of service. The letter will contain the date and time of each No-Show. The individual is entitled to request an appeal of suspension.
3. 3rd Violation: A second set of four (4) No-Shows in another rolling 30 day calendar period, a written letter will be sent notifying the individual of a pending three (3) month suspension of service. The letter will contain the date and time of each No-Show. The individual is entitled to request an appeal of suspension.

Riders who feel that a No-Show or late cancellation was beyond their control or as a result of RFTA error, or for questions regarding No-Show warning letters should call the ADA Complementary Paratransit Service Coordinator at (970) 384-4855.

Suspensions
Riders who develop a pattern or practice of missed trips and/or late cancellations may risk suspension of ADA Complementary Paratransit service. Customers who abuse their riding privileges may face suspension of ADA Complementary Paratransit service. Before service is suspended, customers will be notified in writing. Conduct that may lead to suspension of service includes disruptive or unsafe conduct, and excessive late cancellations and/or No-Shows.

Prior to a rider’s suspension of service for conduct, excessive No-Shows and/or late cancellations, RFTA will notify the individual in writing, explaining the reason for the suspension and the length of suspension. The written letter will include information regarding conduct, and No-Show and/or late cancellation dates and times.

Appeal of Suspension
An individual who receives a suspension notice may file an appeal questioning the decision. To appeal a notice of suspension, a written letter must be submitted; suspension will be upheld if a written appeal letter is not received. Send written appeal letter to:

Roaring Fork Transportation Authority
ADA Complementary Paratransit Service Coordinator
1517 Blake Avenue
Glenwood Springs, CO 81601

The suspension will be placed on hold until the appeal is complete. A meeting will then be scheduled to meet with appropriate staff, within 15 days, to discuss options for preventing suspension. The individual filing the suspension appeal will be notified of the appeal decision in writing. The notification will state the reason(s) for the decision if suspension is upheld. During the appeal process, the individual’s ridership privileges will not be denied.

If an individual has been suspended for behavior that is illegal or potentially compromises the safety of our driver, other riders, or equipment, the suspension will remain in effect until assurances that safety can be maintained are established.
Updated Information

ADA Complementary Paratransit service patrons must keep their address, telephone number(s), emergency contact information, and mobility aid information current with RFTA.

Personal Care Attendants

As defined in the ADA regulations, a personal care attendant (PCA) is “someone designated or employed specifically to help the eligible individual meet his or her personal needs.” A PCA typically assists with one or more daily life activity such as providing personal care, performing manual tasks, or providing assistance with mobility or communication.

RFTA permits one PCA to ride with an ADA Complementary Paratransit eligible individual if the individual has been certified by RFTA to ride with a PCA. Individuals traveling with a PCA must reserve space for them when calling to schedule their own ride and all riders traveling together must have the same pick-up and drop-off locations. A PCA will not be charged a fare.

Service Animals

RFTA permits the use of service animals to accompany individuals with disabilities on vehicles and within facilities. A service animal is “any guide dog, signal dog, or other animal trained to work or perform tasks for an individual with a disability, including, but not limited to, guiding individuals with vision impairment, alerting individuals with hearing impairment, providing protection or rescue work, pulling a wheelchair, or fetching dropped items.” RFTA personnel cannot require riders to provide documentation for their service animals, but may ask whether the animal is a service animal and what task(s) they perform.

Driver Assistance

Riders should request assistance when making a reservation. However, riders also may also request assistance at the time of pick-up and/or drop-off. Drivers will assist customers with boarding and exiting the vehicle, and to/from the ground-level exterior door of the building. Drivers will provide assistance up/down two steps to/from a building if it is safe to do so. Drivers are required to make sure that all wheelchairs and scooters are properly secured per RFTA requirements. Drivers are not allowed to lift or carry customers.

Drivers cannot escort customers past the ground floor of any building and are not allowed to enter residences. They are required to maintain a visual sight line of their vehicle at all times. Customers are expected to carry their own bags and packages. Customers are responsible for ensuring that the path of travel between their exterior door and the vehicle pick-up/drop-off areas are clear of snow and other obstacles.

Drivers are not allowed to accept tips from passengers, although passengers may contact the ADA Paratransit Customer Service (970) 384-4855 to compliment and/or comment on a driver. Customers who
require additional assistance beyond what is provided by a driver are encouraged to arrange for a PCA or companion to travel with them.

Visually impaired passengers may request to be identified as visually impaired if they would like the driver to announce their name upon arriving. Drivers will go to the ground level exterior door of the building upon request, when it is safe to do so. Drivers will identify themselves to visually impaired passengers and announce the name(s) of the passenger(s) already on board, and those being picked up during the trip.

**Mobility Devices**

ADA Complementary Paratransit service will accommodate wheelchairs and other mobility devices along with occupants, as long as the lift/ramp and vehicle can physically accommodate them, doing so would not cause a valid safety concern, and it does not block an aisle or interfere with the safe evacuation of passengers in an emergency.

Drivers are required to restrain wheelchairs using a four (4) point safety securement. In addition, a lap belt and a shoulder belt will be used for passengers seated in wheelchairs and mobility devices. While passengers may not refuse these securements, a trip cannot be denied if the driver is physically incapable of securing the mobility device.

Portable respirators and oxygen equipment are permitted on ADA Complementary Paratransit vehicles. The driver will assist passengers to secure this equipment on the vehicle.

For the safety of all riders, passengers may not transport any type of hazardous equipment or materials. Passengers should limit the number of packages that they and their PCA carry onto the ADA Complementary Paratransit vehicle. No more than three (3) grocery bags or similar sized packages are allowed, per individual passenger. Packages must be under the control of the passenger and transported on the passenger’s lap or secured under the seat. Small portable grocery carts with two (2) wheels are acceptable but, for safety, should be secured and not be placed in the aisle. Drivers may assist with securing these items, if requested. All passengers must be properly restrained with a safety belt while riding ADA Complementary Paratransit vehicles.

**Rescue Plan**

RFTA’s ADA Complementary Paratransit buses can normally be replaced within 15 – 20 minutes of a vehicle malfunction. RFTA’s policy is to place passengers on the next available bus, heading in the same direction. RFTA deploys extra equipment, buses, and drivers, at key locations, during peak commute hours to replace buses, if necessary.

RFTA’s ADA Complementary Paratransit services are located a short distance from a RFTA bus maintenance facility. A replacement vehicle will be dispatched immediately to replace a malfunctioning vehicle. Vehicle
replacement usually occurs within 15 minutes or less. Road Supervisors are dispatched to malfunctioning vehicles to make the transition to the replacement bus or van as smooth and quick as possible.

**Visitors**

ADA Complementary Paratransit service will be provided for visitors with disabilities, who do not reside in the jurisdictions served by RFTA. Out-of-town visitors should request eligibility for ADA Complementary Paratransit service before the first desired day of travel.

Once registered with RFTA, visitors will be able to utilize the service for any combination of 21 days during a 365-day period, beginning with the visitor’s first use of service. Visitors requesting to use ADA Complementary Paratransit service more than 21 days during a 365-day period must apply for and receive eligibility certification through RFTA. For additional information and to set up a brief phone assessment, please contact the RFTA ADA Complementary Paratransit Service Coordinator at smerritt@rfta.com or call (970) 384-4855.

**Reasonable Accommodation**

ADA Complementary Paratransit will make every effort to ensure that all individuals with disabilities can utilize its services. If you believe that a certain policy or procedure is limiting your use of ADA Complementary Paratransit services, you may request a reasonable accommodation. Please contact the ADA Complementary Paratransit Service Coordinator at (970) 384-4855 to request a reasonable accommodation.

**Lost & Found**

Riders are responsible, and RFTA accepts no responsibility, for personal items left on vehicles. Riders may call RFTA (970) 384-4855 to inquire about personal items left on the vehicle. If the individual is unable to get to the office to retrieve the item, RFTA will attempt to return the item on the next scheduled trip. RFTA will hold items for 30 days prior to disposal. Wallets, credit/debit cards and IDs will be turned over to the Police Department after 30 days.

Exhibit III
Discrimination Complaint Process

Federal law prohibits discrimination on the basis of race, color, national origin, sex, age, or disability in any RFTA program or activity. This prohibition applies to all employees, departments and divisions of RFTA, contractors, consultants, and anyone else who acts on RFTA’s behalf.

Anyone who believes they have been excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any RFTA program or activity because of their race, color, national origin, sex, age, or disability may file a complaint.

Discrimination includes lack of access, harassment, retaliation and disparate impacts from a program or activity. Harassment includes a wide range of abusive and humiliating verbal or physical behaviors. Retaliation includes intimidating, threatening, coercing, or engaging in other discriminatory conduct against anyone because they filed a complaint or otherwise participated in a discrimination investigation.

Federal law requires that RFTA investigate, track, and report discrimination complaints. Complaints must be filed, in writing, within 180 days from the date of the alleged discrimination. Complaints must be filed in writing and will be investigated within thirty (30) days of submission.

RFTA will make reasonable efforts to assist persons with disabilities, non-English speakers, and others unable to file a written complaint. If you need assistance to file your complaint or need interpretation services, please contact the RFTA Regulatory Compliance Officer at (970) 384-4974 or nschoon@rfta.com.

Este procedimiento de queja y el Formulario de Queja de Discriminación están disponibles en español en www.rfta.com/paratransit/discriminationcomplaintprocedure (Proceso de queja - Español).

While not required, complainants are encouraged to use the Discrimination Complaint Form which can be found at www.rfta.com/paratransit/discriminationcomplaintform (Discrimination Complaint Form).

Complaints may be submitted via email, fax or in person to the following:

Roaring Fork Transportation Authority
Nicole Schoon, Regulatory Compliance Officer
2307 Wulfsohn Road
Glenwood Springs, CO 81601

Complaints may also be filed with the following agency:

Federal Transit Administration
Investigating a complaint includes interviewing all parties involved and key witnesses. The Regulatory Compliance Officer may request relevant information such as books, records, electronic information, and other sources of information from all involved parties. The complainant has thirty (30) days from the original complaint date to respond to RFTA’s Regulatory Compliance Officer with the requested information.

If the Regulatory Compliance Officer does not receive the requested information within thirty (30) days from the original complaint date, RFTA can administratively close the complaint. The complainant will be informed of the complaint closure through a; registered, return receipt letter.

After the Regulatory Compliance Officer reviews the complaint and any additional information, one of two letters will be issued to the complainant based on its findings:

1. Complaint Closure Letter: This letter will state that RFTA is found to be in compliance with ADA regulations. The letter will include an explanation of why RFTA was found to be in compliance, and provide notification of the complainant’s appeal rights.

2. Letter of Finding: This letter will state that RFTA is found to be in non-compliance with ADA regulations. The letter will include a summary of allegations, each violation referenced, the applicable regulations, and a brief description of proposed remedies and actions taken. If the complainant wishes to appeal the decision contained in the Letter of Finding, he/she will have ten (10) days after receipt of the Letter of Finding to do so.

If the complainant is not satisfied with the findings and/or actions taken by RFTA, the complainant may file his/her complaint with the FTA’s Office of Civil Rights.

Federal Transit Administration
Office of Civil Rights
East Building, 5th Floor-TCR,
1200 New Jersey Ave., SE
Washington, DC 20590
(888) 446-4511
www.fta.dot.gov

These procedures do not deny the right of the complainant to file formal complaints with other state or federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to obtain early resolution of complaints at the lowest level possible. The option of informal mediation between the
affected parties and RFTA may be utilized for resolution. Complainants may specify if there is a particular individual(s) that should not investigate your complaint due to conflict of interest or other reasons.

Federal law prohibits retaliation against individuals because they have filed a discrimination complaint of otherwise participated in a discrimination investigation. Any alleged retaliation should be reported in writing to the Regulatory Compliance Officer.
Exhibit IV

Esta prohibición se aplica a todos los empleados, departamentos y divisiones de RFTA, contratistas, consultores y cualquier otra persona que actúe en nombre de la RFTA.

Toda persona que piense que ha sido excluida de la participación, que le negaron beneficios o que sufrió discriminación en relación con cualquier programa o actividad del RFTA debido a su raza, color, origen nacional, sexo, edad, o discapacidad puede presentar una queja.

La discriminación incluye falta de acceso, acoso, represalias e impactos desproporcionados en un programa o en una actividad. El acoso incluye una extensa variedad de conductas verbales o físicas abusivas y humillantes. Las represalias incluyen la intimidación, las amenazas, la coacción o las conductas discriminatorias contra una persona por haber presentado una queja o haber participado en una investigación de discriminación.

Las leyes federales requieren que el RFTA investigue, controle e informe las quejas por discriminación. Las quejas deben presentarse por escrito y se investigarán, dentro de los 180 días de la fecha de la supuesta discriminación. Las quejas deben ser presentadas por escrito y serán investigadas dentro de los treinta (30) días de la presentación.

RFTA tomará medidas razonables para asistir a las personas con discapacidades, que no hablan inglés y otros que no pueden presentar una queja por escrito. Para obtener ayuda para presentar una queja o necesita servicios de interpretación, comuníquese con el Oficial de Cumplimiento Regulaciones de RFTA al (970) 384-4974

Aunque esto no es obligatorio, se recomienda a las personas que presentan la queja que usen el formulario de quejas por discriminación que se encuentra en www.rfta.com/paratransit/formulariodequeja.

Las quejas pueden ser enviadas por correo electrónico, fax o en persona a lo siguiente:

**Roaring Fork Transportation Authority**
Nicole Schoon, Oficial de Cumplimiento Regulaciones

Investigar una queja incluye entrevistar a todas las partes implicadas y testigos clave. El Oficial de Cumplimiento de Regulaciones puede solicitar información pertinente, como libros, registros, información electrónica y otras fuentes de información de todas las partes involucradas. El reclamante tiene treinta (30) días a partir de la fecha original de la queja para responder al Oficial de Cumplimiento Regulaciones de RFTA con la información solicitada.

Si el Oficial de Cumplimiento Regulaciones no recibe la información solicitada dentro de los treinta (30) días de la fecha original de la queja, RFTA puede cerrar administrativamente la queja. El denunciante será informado del cierre de la queja por medio de un: Registrado, carta de recibo de devolución. Después de que el Oficial de Cumplimiento Regulaciones revise la queja y cualquier información adicional, una de las dos cartas será enviada al reclamante basado en sus hallazgos:

Se hará todo lo posible para obtener una resolución temprana de las quejas al nivel más bajo posible. La opción de mediación informal entre las partes afectadas y la RFTA puede ser utilizada para la resolución. Los reclamantes pueden especificar si hay un individuo en particular que no debe investigar su queja debido a un conflicto de intereses u otras razones.
